MIT Enrollment Status

Please select your current MIT status

- Enrolled MIT graduate student
- Enrolled MIT graduate student beginning a different MIT graduate degree next academic year
- Enrolled MIT undergraduate student
- Enrolled MIT undergraduate student accepted into an MIT graduate program
- Enrolled MIT 5-year combined undergraduate and graduate degree student
- Non-MIT student accepted to an MIT graduate program
- Non-MIT student (application pending)

What is your MIT ID?

Please provide the email address and contact information you provided for that application

Please upload your admissions letter

MIT School Information

In which MIT school are you currently enrolled?

- School of Architecture and Planning
- School of Engineering
- School of Humanities/ Arts and Social Sciences
- Sloan School of Management
- School of Science

- Other

Please explain.

What degree program are you currently pursuing?

- Bachelor of Science, S.B.
- Doctor of Philosophy, Ph.D.
- Doctor of Science, Sc.D.
- Engineer's Degree, Eng.
- Master in City Planning, M.C.P.
- Master of Architecture, M. Arch.
- Master of Business Administration, M.B.A.
- Master of Engineering, M. Eng.
- Master of Finance, M.Fin.
- Master of Science, S.M.
- Other

Please explain.

In which MIT school will you be enrolled next academic year?

- School of Architecture and Planning
- School of Engineering
- School of Humanities/ Arts and Social Sciences
- Sloan School of Management
- School of Science
- Other

Please explain.

What degree program will you be pursuing at MIT next academic year?

- Bachelor of Science, S.B.
- Doctor of Philosophy, Ph.D.
- Doctor of Science, Sc.D.
- Engineer's Degree, Eng.
- Master in City Planning, M.C.P.
- Master of Architecture, M. Arch.
- Master of Business Administration, M.B.A.
- Master of Engineering, M. Eng.
- Master of Finance, M.Fin.
- Master of Science, S.M.
- Other

Please explain.

If Sloan MBA, are you in the Entrepreneur and Innovation track?

- Yes
- No
- Undecided

What will be your field of study at MIT next academic year?

- Aeronautics and Astronautics
- Aerospace Engineering
- Aerospace Engineering with Information Technology
- African and African Diaspora Studies
- American Studies

- Ancient and Medieval Studies
- Anthropology

- Master of Science, S.M.
- Other

Please explain.

What is the field of study for your second degree?

- Aeronautics and Astronautics
- Aerospace Engineering
- Aerospace Engineering with Information Technology
- African and African Diaspora Studies
- American Studies
- Ancient and Medieval Studies
- Anthropology
- Applied Ocean Science and Engineering
- Archaeology and Materials
- Architecture
- ... 92 additional choices hidden ...
- Science, Technology, and Society
- Shipbuilding and Shipbuilding Management
- Technology and Policy Program
- Theater Arts
- Toxicology
- Transportation
- Urban Studies and Planning
- Women's and Gender Studies
- Writing and Humanistic Studies
- Other

Please explain.

Anticipated graduation date of second degree

___/___/___ (YYYY/MM/DD)

Tell us about you!

What are your strongest personal/ professional attributes as an entrepreneurial leader (e.g., deep technical knowledge, regional “on the ground” knowledge and connections, leadership capabilities, etc.)? Provide specific examples of entrepreneurial projects or teams that you have led.

(Limit 1000 Characters)

How certain are you that you want to be an entrepreneur in the developing world post-graduation? (It’s okay to be on the fence!) What are your greatest fears or concerns about pursuing this entrepreneurial path – and how can we help you make up your mind?

(Limit 1000 Characters)

Why are you passionate about this venture, and how have your experiences (educational, leadership, professional, etc.) prepared you to pursue it?

(Limit 1000 Characters)

Have you lived in or visited the country in which you intend to launch or scale your venture? If so, for how long and in what capacity (e.g., resident of the country, studied there, worked there, etc.)? How has this experience been relevant to your venture?

(Limit 1000 Characters)

How do you plan to use this fellowship to grow as an entrepreneurial leader and prepare you to work full-time as a developing world entrepreneur after graduation?

(Limit 1000 Characters)

Have you taken any MIT courses (including online education courses – MITx) that have been relevant to the development of your venture?

- Yes
- No

Please select all that apply

- 15.910 Innovation Strategy
- 15.911 B Entrepreneurial Strategy
- 15.232 H1 Effective Business Models in Frontier Markets
- 2.739 / 15.783/ ESD.32 Product Design and Development
- 15.385 Social Innovation and Entrepreneurship
- 2.888 Professional Seminar in Global Manufacturing Innovation and Entrepreneurship
- 15.364 Regional Entrepreneurship Acceleration Lab (REAL)
- 15.779 (formerly 15.S14) Technology, Design, and Entrepreneurship: Operating in Emerging Communities
- 15.375/EC.731/MA5.665 Development Ventures
- 15.128/20.454 Revolutionary Ventures: How to Invent and Deploy Transformative Technologies
- 15.359 Innovation Engineering: Moving Ideas to Impact
- 15.360 Introduction to Technological Entrepreneurship
- 15.378 Building an Entrepreneurial Venture: Advanced Tools and Techniques
- 15.390 New Enterprises
- 15.395 Entrepreneurship without Borders
- 15.399 Entrepreneurship Lab
- 15.785 Digital Product Management

- 15.S68 SSIM: Opportunities in Developing Economies
- 10.807/15.371 Innovation Teams
- 6.933 Entrepreneurship in Engineering: The Founder's Journey

Please list any additional courses (including MITx) that are relevant

Please provide a brief description of your venture.

(Limit 1000 Characters)

The following 6 questions are to help us assess your stage of development. We do not expect that you will rate your venture a 4 or 5 in all categories. We are most interested in understanding the current stage of your venture, and what your plans are to leverage the fellowship and your time at MIT in order to prepare you to scale the venture post-graduation.

On a scale of one to five describe the stage of your venture in terms of the following: General stage of development

- 1 (e.g., Idea/Exploration)
- 2
- 3 (e.g., Proof of Concept)
- 4
- 5 (e.g., In Operation with paying customers)

On a scale of one to five describe the stage of your venture in terms of the following: Primary Market Research (PMR)/Customer Development

- 1 (e.g., No PMR)
- 2
- 3 (e.g., Preliminary PMR)
- 4
- 5 (e.g., Paying Customer)

On a scale of one to five describe the stage of your venture in terms of the following: Product/Service Development

- 1 (e.g., Still in the Lab/Testing)
- 2
- 3 (e.g., Prototype/Pilot)
- 4
- 5 (e.g., Manufacturing/Service at Scale)

On a scale of one to five describe the stage of your venture in terms of the following: Team

- 1 (e.g., Just Me)
- 2
- 3 (e.g., 2-5 Founding Team Members)
- 4
- 5 (e.g., +5 Team Members)

On a scale of one to five describe the stage of your venture in terms of the following: Board

- 1 (e.g., No Board)
- 2
- 3 (e.g., Building a Board)

- 4
- 5 (e.g., Board)

On a scale of one to five describe the stage of your venture in terms of the following: Funding Raised

- 1 (e.g., No Funding)
- 2
- 3 (e.g., Grants/Family & Friends)
- 4
- 5 (e.g., Angel/Venture)

What is the problem you are trying to solve and for whose benefit?

(Limit 1000 characters for each section)

Define the problem and current/ potential impact of your idea in the developing world. Please include relevant data and research (primary or secondary) you have identified to support this problem statement.

Who are your customers and what is the market potential? Please include relevant data and research (primary or secondary) you have identified to support the addressable market size.

What assumptions have you tested to date that support this problem statement and the opportunity for impact? What assumptions do you plan to test during the fellowship to better understand this problem?

What is your proposed product or service (in other words, your solution)?

(Limit 1000 characters for each section)

Describe the proposed product or service.

What progress have you made on the product or service to date? What do you plan to do during the fellowship to advance your product or service?

What is your competitive advantage?

(Limit 1000 characters for each section)

Who are your primary competitors?

Why do you believe your product or service will be a better solution than your competitors', and how do you plan to test your assumptions?

What is your proposed business model? How do you expect to make money?

(Limit 1000 Characters)

Where do you want your venture to be by June 2019? What is your vision for how you will grow, launch, and potentially scale your venture between now and then?

(Limit 1000 Characters)

What are the top challenges or risks you see as you grow/ scale your venture? Include your plan for how to address these risks.

(Limit 1000 Characters)

Tell us about your current team, including a brief description of:

(Limit 1000 characters for each section)

Your role on the team

Team members, including number of core members, their roles, and relevant experience

The key skills you need to add to your team

Tell us about your funding status, including:

(Limit 1000 characters for each section)

The funding have you raised to date

The funding you anticipate you will need in the next 12 months to reach the level of growth you described above

The funding sources/platforms you have utilized to date (e.g., personal savings/debt, grants, competitions, friends and family, angel/venture, other)

How do you envision contributing as an individual and through your venture to the Legatum Center Mission?

(Limit 1000 Characters)

FINANCIAL RESOURCES

What is the total estimated cost (in USD) of your MIT program for the 2018-2019 academic year?

Tuition, books and supplies, housing, etc.

Do you have additional fellowships, scholarships, sponsorships, or other financial support (including personal and family funds) that you anticipate using to support your studies at MIT? The Legatum Center encourages you to apply for additional financial support so that the Center can make its resources available to other worthy candidates as well.
